What is DERV?

DERV is utilized in any diesel engine but is usually consumed by on-road vehicles to keep the fleets moving. It is usually known as white diesel or road diesel.

DERV Costs

Diesel prices keep changing every day, and thus, there is no specific price in the oil market. Every supplier has their costs as well. Therefore nothing is ever confirmed. However, with 123 Oil, we assure you of affordability. As we deal in bulk DERV supplying, we can price our diesel deliveries at a very reasonable cost. You can also talk to our fuel specialist to get an insight to the processor to get a discount. We usually recommend our customers to buy diesel in bulk as it helps them save even more. Especially if you are running a business, it is best advised to buy diesel in bulk.
